

Meeting Minutes

November 18 2023

1. Principals Report

- a. The Jr High and High School are looking at dates to host Chris Koch.
- b. The School is adding opportunities for students to learn more about financials. It is being added into the Health Curriculum. The Gr. 9s are going to have the opportunity to go to a Career Day.
- c. The Jr High plans to have quarterly Pep Rallies to celebrate all the kids who have had success. The band also played.
- d. We would like to congratulate Mr. H on his spot light! He has been recognized by the Music Advocacy Alliance!

2. Report on the Division Council Meeting

- a. The Division updated their concussion policy and it is up on the Division website if anyone wants to read it.
- b. As a Division we want to support all the councils in their events. Having more communication so we can help promote them.
- c. A big take away was that parents want more training in using Power School. It is an expensive app and the cost of adding a way to excuse kids through the app isn't financially feasible.

3. Financial Transparency

- a. We haven't been able to locate a place where the financials have been recorded. Moving forward we are going to keep track of what each event has cost the Council and what the money was spent on.
- b. When does the \$500 from ASCA come in and what year is that money to be used in? We would like to leave \$250 for the next year going forward so we are not always chasing the money.

4. Student Council

- a. What is the role of the Student Council? The School would like them to focus on The Head Strong Program.
- b. Kids have expressed that they would like more activities happening around the school. How do the Students start these activities? The kids need a strong idea to bring to the Office for approval. The kids also have to do the leg work for these activities.
- c. As parents we would like to see more mentorship with the Student Council so they can be more organized. As a council we are willing to help the kids with their activities to help them be more successful.
