

Meeting Minutes

February 13, 2025

1. Principals Report-
 - a. The Survey for Grade 7 students is coming out soon. This survey is for Teachers, Students and Parents. Please watch for your parent code and fill it out!
 - b. The Jr. High student attendance has never recovered from pre-covid numbers. There are also lots of lates in the morning. The school is trying different ways to get this number up.
2. Division Meeting Review-
 - a. The new cell phone policy has been met with no push back across the division.
 - b. The division is setting a goal to raise our graduate rate. Last year the average across the division was 87%.
 - c. Attendance issues also stretch across the division.
 - d. We are low on Counselors and Occupational Therapists.
 - e. There is a predicted decline for ages 0-4yrs for upcoming enrollment.
 - f. The Division is raising bus cost for next year but say it will not impact school fees.

We have not set a date/time for our next meeting. We plan to see if the High School would like to join us in going over the ASCA resolutions to vote on how we will vote as a council at the upcoming April meeting.
